## BEST JOB EVER. AVAILABLE AT THE POOL.

Soldiers and Sailors Memorial Park is a community treasure. With a playground, sand volleyball court, pavilions, and the town's beloved pool, it's a splendid place to spend your days outside. In walking distance of downtown Millheim, just over the bridge, is a place sure to keep you active and engaged with friends and other community members.

In preparation of our upcoming season, Penns Valley Parks and Rec is looking to hire many people to fill openings. Certifications are required for all positions and are available this spring.

### **Lifeguards, Pool Managers, and Facilities Manager**

We love this park, pool, and all the people that come to enjoy it. We hope to expand awareness of what we have to offer with the new folks in PV. We also hope to rekindle the love from those who grew up here! Please share this news of job openings with anyone looking for summer work. Can't wait to see you all!
